Adwaita Malla Barman Smriti Mahavidyalaya Amarpur, Gomati Tripura

A Brief History:

As a matter of fact, Amar Manikya, a well-known Manikya ruler of Tripura was associated with this land. Government Degree college, Amarpur as a co-educational institution of higher education was established on 1st September, 1998 to meet the emerging needs of students and local people. Initially, the college started its journey in the school of building of Govt. Higher Secondary school for boys at Amarpur in the morning shift. Later on, the location of this college was shifted to present site of Kawamara, Amarpur, Gomati Tripura district on 12th Dec. 2002. This college has received recognition from the University Grant Commission (UGC) under 2(f) and 12(B) on 17th Nov. 2009. The college has been renamed as Adwaita Malla Barman Smriti Mahavidyalaya in the year 2014.

At present, the college has been offering three years degree program in arts both in honours such as Bengali, English, Sanskrit, Education, History, Political Science and Philosophy and pass in above mentioned subjects including Kokborok. Science stream (Pure Science) has been introduced in the year 2017 with intake capacity of 10 students. UGC sponsored programme such as remedial coaching, cell for SC/ST/OBC students, career and counseling cell, coaching for first service entry in service are functioning for the betterment of the students in the field of higher education.

Aim of the college: To deliver education to the students and to use modern technology in delivering lectures in the classrooms.

Vision: To establish A.M.B.S. Mahavidyalaya, Amarpur, the highest institution of the quality education in the state.

Mission: the mission of the college is to introduce both Science and Commerce stream along with other subjects of arts (Including the existing subjects) and to open professional-oriented course like BCA, DCA, Fashion technology and traditional handloom technology etc. in the A.M.B.S. Mahavidyalaya, Amarpur, with modern technology, so that after getting the degree/diploma students do not face any difficulties to avail service/business.

Principal's Desk:

A.M.B.S. Mahavidyalaya, Amarpur, formerly known as Govt. Degree college, Amarpur, established in the year of 1998, is a brainchild of the Govt. of Tripura, Department of Higher Education, for spreading and availing higher education to the remotest hilly area of the state, particularly to left out of the tribals and non-tribals of the forest area of Tripura.

Starting from Amarpur Boys Higher secondary school, it has been shifted to its new own building in the year 2002 to allow, accommodate and open different subjects and more students in this institution. Now this college has been carrying not less than 1000 students from different streams. This year 2018-19 session more than three hundreds of students had taken admission in this institution.

However it is matter of concern that in spite of opening of pure science in the college, due to non availability of faculty, the college can't accommodated some of the students applying for taking admission in pure science. The Authority thinks that in the near future, the college will be able to overcome this problem with the help of the Director of higher Education. It is amatter of delightness that the students taking admission here in this college are getting good results, leave the college happily. We will also be happy if the strength be running always. Lastly it is to be mentioned that this college is governed by the concept of e-Governance with modern technology.

With sincere thanks and best regards to all staff and DHE, Govt. of Tripura.

Dr. Pradeep Kr. Deepak
Principal in-charge
A.M.B.S. Mahavidyalaya, Amarpur

D.D.O.'s Desk:

Amarpur based A.M.B.S. Mahavidyalaya recognized by UGC and affiliated to Tripura University (A Central University) is one of the best colleges in Tripura. The college since the day of its inception has been contributing lots to the field of higher education with the aim of securing and ensuring quality education in the state. Thousands of students completed their graduation from the college are now engaged down to the ground in the service mankind across the country. At present, the college offers both pass as well as honours course in different subjects.

The college is moving towards the quality education for the greater interest of the students. It is said that education is a medium of social change. Hence, it is my request to all the learners of the college to take part in the process of social change through education in Tripura. To make A.M.B.S. Mahavidyalaya a real centre of learning and savior of higher education in the state, I hope, people from every corner will join their hands together. I am very sanguine that the college is going to start a vista in Tripura.

Thanks to all with best regards

Dr. Prabir Datta
