Report of the college level Seminar on the occasion of "Matri Bhasha Diwash "on the date of 21/02/2016 organized by the Department of Bengali.

Language is one of the means of expression our thoughts. We all have a special passion for our mother language. But after the partition of India in 1947, present day Bangladesh was then known as East Pakistan. The language of Bangladesh was Bengali. But the Government of Pakistan enacted a new law in 1948, that Urdu would be the official language of all Pakistan, including Bangladesh. The people of Bangladesh could not accept the decision. The people and students of ordinary Bangladesh together formed an intense movement which is known as the language movement. Many students and ordinary people have to give up their lives to defend their language rights. Finally in 1956 the Government of Pakistan had to bow to the movement of the common people of Bangladesh and recognize Bengali is the official language of East Pakistan that is the present Bangladesh. In 1999 UNESCO declared 21st February as International mother language day.

Keeping this view in mind the Bengali Department of A. M. B. S. Mahavidyalaya conducts college level seminar every year to inform the students about the importance of mother tongue and the impact of language movement.

In this program all the students and teachers of this college have attended. In this regard, the Bengali Department teachers are played major role in performing the cultural activities. Principal of this college has chaired the seminar. The teachers from other departments and students also gave speech about **Matri Bhasha Diwash**.
