**A Report on 5 days workshop on “Basics on Internet access and security” organized by Department of IT, A.M.B.S. Mahavidyalaya, Amarpur w.e.f. (5/11/2018/ to 9/11/2018).**

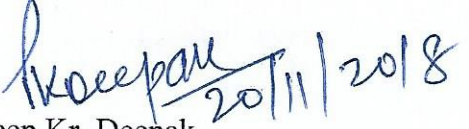

The world is moving towards digital age and Digital India is a campaign launched by the Government of India with a vision to transform India a digitally empowered society. With an objective to acquaint our faculty members with knowledge of internet access along with security aspects, Department of IT has organized a workshop program in the institution w.e.f. (5/11/2018/ to 9/11/2018). The main goal of this workshop program is to capacitate our teaching faculties to enhance with knowledge of internet access and security.

The workshop programme was inaugurated by the Principal-in-charge of the college along with the inaugural speech by the convenor highlighting the importance of internet and security. Total 15 faculty's members of this college have actively participated in the said workshop along with guest faculty.

During the whole workshop programme, faculty members were acquainted with the basic knowledge of internet access such as how to connect with internet and access, creation of mail id, accessing and sending mail and installing anti-virus software and making the computers secured by scanning etc. along with different viruses that were recently active that can hamper the machine.

The workshop programme was presided over by the Dr. Pradeep Kr. Deepak, Principal-in-charge, A.M.B.S. Mahavidyalaya, Amarpur on the last day of the workshop.
